To the Louisiana Board of Ethics,

The Ward 4 Fire Protection District of Jackson Parish is considering employing Thomas Holland, a current volunteer of the fire district and owner of On-Scene Fire Services, for the position of fire chief. Mr. Holland's business provides no services to the fire district. Currently, a member of the board, Scotty Nunn is employed by Mr. Holland at his business On-Scene Fire Services. The Ward 4 Fire Protection District board of commissioners would like to know whether this would be an ethical violation.

Thank you for your consideration.

Sincerely,

Heath Holland
